## **Solid Waste Fee Schedule**

**Adopted: March 18, 2017**  
**Revised: December 02, 2021**

**Solid Waste Fee Schedule**  
**TOWN OF BRISTOL**  
**Effective as of March 18, 2017 (“Effective Date”)**  
**Amended, December 02, 2021**

**Adopted:**

The Solid Waste Fee Schedule was adopted by Town Meeting on March 18, 2017, which also gave the Select Board authority to make future amendments to the Fee Schedule by vote of the Select Board. The previous revision was from October 3, 2019. This current revision was adopted by the Bristol Select Board on December 02, 2021, and is effective immediately. This Fee Schedule amends and replaces all prior existing versions of the Solid Waste Ordinance.

**1. Specific Procedures:**

1. All residents and property owners are required to obtain a Transfer Station permit from the Town Clerk / Tax Collector’s Office or at the Transfer Station. No person shall dispose of any waste at the Transfer Station without a permit. All solid waste including Construction & Demolition Debris (C&D) must be from the Town of Bristol.

2. All residents and property owners that want to dispose of C&D debris must go to the designated Transfer Station C&D area and have the vehicle that they are using measured. Pricing is based upon the following vehicle categories:

- (i) Passenger Car
- (ii) Small Pickup:
  - a. Small Bed (6-foot bed)
  - b. Regular Bed (8-foot bed)
- (iii) Large Pickup
  - a. Small Bed (6-foot bed)
  - b. Regular Bed (8-foot bed)
- (iv) One Ton
  - a. Pickup (8-foot bed)
  - b. Dump (8-foot bed)
- (v) Utility trailer
  - a. Single Axle
  - b. Double Axle

Height and length of load is height and length of vehicle manufacturers designated load space. Adjustments of rate for sizes not listed above may be made by the Transfer Station Attendant. The Transfer Station Attendant's decision is FINAL.

3. All doors must be removed from refrigerators prior to delivery to the designated C&D area.
