Location of Driveway	Conditions
Approx .451 miles north of Route 3A on the west side of West Shore Rd	Single family residential drive; graded entrance so the surface drops 2" at a point 4' from West Shore Rd; edge of pavement to create a drainage swale; shall not exceed 15 ft in width; entrance may be flared;
East side of Batten Road	Install culvert in addition to swale on plan. All work to meet town specifications.
South side of Hemlock Brook Road	No driveway drainage can enter onto the road.
North side of Batten Road	No driveway drainage can enter onto the road.
2nd driveway entrance on Worfield Circle	Must have 16' x 6' paved apron to prevent damage to Town Road. This apron must be installed by June 1, 2020 or permit will be void. Access to property must be restricted to the two driveways.
