**Remediation of asbestos MUST be completed by a Licensed Asbestos Abatement Contractor and proof of remediation will be required as a condition of the issued permit.**

More information about permitting, including asbestos requirements and contractors, can be found on the Town’s website. Additional information may be requested by the Land Use Office to assist with the review of the application. No permit will be issued unless the proposal complies with the provisions of the Bristol Zoning Ordinance and meets all other local and State requirements.

**Demolitions CANNOT begin work until a completed application has been submitted and a Land Use Permit has been issued.**

**Any property owner or applicant who violates the permitting process, Zoning Ordinance, local regulations or State requirements will be subject to fines in accordance with RSA 676:17.**

**I, the undersigned, do herein state to the best of my knowledge and belief that the proposed demolition is compliant with all local, state and federal codes, rules and regulations, including life safety codes and that all information provided herein is correct and complete in accordance thereto.**
