Instructions: Special Exception

Bristol Zoning Board of Adjustment (ZBA)

Some property changes are allowed by special exception only. Make sure to look at Section 5.4A of the Zoning Ordinance. Your appeal for a special exception can be granted if you prove that the conditions stated in the Ordinance are met. Still, the Board may impose conditions it finds reasonably appropriate to safeguard a neighborhood or otherwise serve the Ordinance's purposes. See Section 5.4B.

Notifying Abutters

We must contact the owners of property adjacent to yours. An abutters list shall be submitted with the special exception application that has current mailing address, property address, and tax map-lot for each abutter. Abutters include property owners directly across a road or waterbody. State law RSA 672:3 may be of interest. NOTE: For the purposes of notification, the applicant (and owner if different) and any professionals who have provided their service are considered abutters.

If you represent the property owner, you must be one of the following:

1. The holder of a valid option for purchase of the subject property.
2. A hired professional to represent the applicant.

Timeline

Checklist, original application, fees, and all required supporting documents must be received in the Land Use Office by the filing deadline at 12pm. Application materials can be mailed or delivered. PDF is good but plans larger than 11x17 need to be printed by the applicant—2 copies. Payment must be cash or check. Monthly application deadlines are posted at www.bristolnh.gov.

Public hearings take place the first Tuesday of each month. Hearing notices will be posted and printed in a newspaper having broad circulation. Staff work to notify all abutters including you (and any other parties which the Board deems to be interested, or as required by RSA) by way of verified mail at least 14 days before the hearing date. All such parties can speak to the special exception request—whether they support it or not.

NOTE: If you the applicant/owner fail to attend the scheduled hearing, ZBA can deny your special exception request or continue it to the next meeting. The same is true if your application packet is incomplete. You may ask for a continuance if necessary. Once the Board has considered the special exception and decided on it, you will be given a Notice of Decision.

Should the ZBA aggrive you with their decision regarding the special exception request, you may file a Motion for Rehearing within 30 days of said decision. This appeal period is open to the applicant and abutters alike. See Motion for Rehearing instructions.

Representatives need to have written permission from the owner to speak on their behalf.

Other approvals (beyond a special exception) may be relevant to your situation. They are handled separately.
